Investment Number	Supported Program	Implementing Organization	Name of the Investment	Main Objective	Start Date	Duration in Months	Amount Approved US\$	% Counterpart	Amount Disbursed US\$	Status
I-2020-04078	Global South Initiative	MiningWatch Canada	FORGE Docket 2: Mining Watch Canada	Expand networking capacity, expose the harms and profiteering of the mining industry during the pandemic, and increase the global scope and representation of MiningWatch's research by welcoming organizations from Africa, Asia, and Europe.	01/dez/20	12	110.000	0%	110.000	In progress
I-2020-04077	Global South Initiative	Asia Floor Wage Alliance (AFWA)	FORGE Docket 2: AFWA	Build leadership of women garment workers so they can lead struggles for decent work at national and international levels; investigate and document cases of Gender Based Violence and Harassment in factories where conditions have worsened during the pandemic; and organize women workers to negotiate and demand brand accountability. With its Women's Leadership Committee, AFWA will also restore a gender focus as the world gets ready to plan for post-COVID life, and ensure that a gender lens will be central in evaluating and implementing remedies, policies, and relief.	01/dez/20	12	110.000	0%	110.000	In progress
I-2020-04076	Global South Initiative	AIDA	FORGE Docket 2: AIDA PORCION FA	Implement a regional effort in Latin America to unite existing, separate movements around a focus on climate justice and solutions that center human rights, gender, social welfare, and democracy as priorities within the proposal for a just recovery.	08/dez/20	12	97.032	0%	97.032	In progress
I-2020-04074	Global South Initiative	GRAIN - Genetic Resources Action International	FORGE Docket 2: GRAIN	Re-center solutions to current global crises (the pandemic, along with climate, hunger and inequality) towards local, environmentally-sustainable production, trade and consumption of food. Build stronger alliances to confront power imbalances and their impacts on local communities by exposing the actors and actions influencing the global economy during this time of crisis, and bolstering collective strategies with partners across the world.	01/dez/20	12	110.000	0%	110.000	In progress
I-2020-04073	Global South Initiative	APMDD - Jubilee South Asia Pacific Inc	FORGE Docket 2: APMDD	1. Enable and empower people and communities to deal with the multiple crises they are facing and support rebuilding towards resilient, gender just, equitable and post carbon systems by promoting calls for: a) scaling commitments and delivery of climate finance, and b) increasing appropriate financing for responses to COVID-19 and the related economic fall-out. 2.Promote calls and demands for economic recovery packages that are consistent with and that support, not undermine, climate actions for mitigation, adaptation and addressing loss and damage. This involves monitoring, evaluating, analyzing, and building consensus among CSOs, and ensuring greater coherence between the policies and programs funded through both climate finance and COVID-19 fiscal response measures.	01/dez/20	12	110.000	0%	110.000	In progress
I-2020-04072	Global South Initiative	Latindadd	FORGE Docket 2: Latindadd	Contribute to an inclusive and fair recovery for all, with policies in favor of the 2030 Agenda and climate goals, through a global joint action that includes i) capacity building in didactic language to reach out to social movements and diverse population so that they can more meaningfully and actively engage in action and advocacy, and ii) advocacy actions at the G20 Finance Ministers meetings, meetings of the International Financial Institutions (Spring & Annual), the G7 Summit (summer 2021) under the UK Presidency, the COP26 processes and African Union Finance Ministers meetings.	03/dez/20	12	110.000	0%	110.000	In progress
